## FRANK'S DIFFERENCE

At Franks, we love heat and flavour, so we're no strangers to the bold, spicy taste of sriracha.

Already available in a 1.89 litre format jug for your back of house, Frank's RedHot® Sriracha Chili Sauce is now available in a tabletop format to delight guests by offering customization options. Sriracha lovers are sure to love the fire of the chili peppers and the unmistakable taste of smoked paprika that will take their taste buds on the adventure of a lifetime!

Perfect for operators who want to attract customers with global flavours, the easy squeezable tabletop bottle is ideal for letting patrons deliver *The Perfect Blend of Flavour and Heat™* to their favourite menu items.

## SOURCING AND SUSTAINABILITY

All Frank's RedHot® products share McCormick's safe, secure supply chain, and state-of-the-art food safety and manufacturing Centers of Excellence, with the strictest sterilization and sanitation practices.

McCormick sets world-class standards for sustainable practices with our Grown for Good sustainable sourcing framework. We have a long track record of sustained grower community support through educational programs, reforestation, disaster relief, economic infrastructure, and community social needs.
