If it's not Frank's®, it's not Buffalo. Get all the balanced flavour and spice of our original wings sauce – without all the heat! Perfect for foods like burgers, fries, Buffalo chicken dip, and chili.

THE FRANK'S REDHOT® DIFFERENCE

Frank's is now available in a milder heat that's ready to use straight out of the bottle. There's no mixing required – just deliver full flavour with less heat! As the inventor of Buffalo who has been doing hot sauce for over 100 years, Frank's is proud to be a brand that consumers love and trust. With its subtle zing, Frank's RedHot Mild Wings Sauce will delight your patrons – and is preferred to other mild back of house offerings.
